ABOUT KIIT & THE CONFERENCE

About KIIT Deemed to be University

Kalinga Institute of Industrial Technology (KIIT) Deemed to be University is globally recognized as an Institution of Eminence by the Ministry of Education, Govt. of India. Founded by celebrated educationist and philanthropist Prof. Achyuta Samanta, KIIT has emerged as one of India's premier multi-disciplinary universities.

Accredited with NAAC 'A++' Grade and ranked within top global brackets by Times Higher Education (THE) and QS World Rankings, KIIT spans 25 green, Wi-Fi-enabled campuses housing 40,000+ students from over 65 countries with ultra-modern laboratories, high-performance computing centres, and Olympic-grade sports.

About School of Computer Engineering

The School of Computer Engineering (SCE) at KIIT is a pioneer in research and engineering education. Equipped with advanced research centres in Artificial Intelligence, Edge Computing, Cyber Security, Internet of Things, and Data Science, the school maintains deep collaborations with industry giants including Microsoft, IBM, Intel, Cisco, and Ericsson to produce industry-ready leaders.

About the Conference (ACIE 2027)

The 2027 International Conference on Advances in Computing, Intelligence and Engineering (ACIE 2027) provides an interdisciplinary international forum for leading scientists, researchers, engineers, and practitioners to present novel theories, algorithms, and applications in smart computing and artificial intelligence.

The conference emphasizes translational AI solutions for industry, sustainable energy systems, automated governance, healthcare, and environmental preservation. High-quality papers will be indexed in the ACIE International Open Access Journal.
